Kinda have to be vegan or vegetarian.

I do comedy and short films and need a camera person. I would like a women who is interested in being behind or in front of the camera. Guys are ok too.

Me going around Vegas doing stuff that may or may not be stupid

Saving animals, interviewing dogs and cats, smoking weed, eating lunch, driving, walking, running, playing basketball, kicking a mean person in the leg, smoking ciggs, dancing, maybe some gymnastics idk.

Also, I keep meeting people that eat meat for what ever reason. And what ever the reason I want less of that in my life. I feel like John Brown must have felt.

Ok send me an email with Vegan in the title and a picture so I know you are real.

Ok hope to hear from you soon!

Oh yeah payment- Weed, drinks, ciggs, maybe 5\$ lol, and uhhhh what else? Being rich and famous beyond your wildest dreams? Is that good enough?
