I have recently expanded my company and not am taking on finishing work. I am looking for a guy that has expirience in finish work carpentry for new construction residential houses. Must know all aspects of job from start to finish. What I have to offer is this.. I am looking for a guy with expirience to do my work. I will supply all tools and material for job. I'm looking for a guy to do the labor. I will have work lines up for you and w'll provide every tool needed for the job. This is a great opportunity for an expienced trim carpenter to make a very nice living. Please email me a contact number and I will call you.
