Photographer looking for White, Asian and Hispanic women with large labia. This is for a project to reduce surgery and help women feel normal that are uncomfortable and ashamed that they have large labia. If you would like to help other women feel better about themselves email me. You do not have to show your face in photographs and it is completely anonymous. Model release required. Cash at time of shoot.

Also looking for models with small Labia to show as an "after" picture/desired result.
