Book your appointment now to get your car cleaned and waxed to protect your investment.

We know you can take your car anywhere to have it cleaned. The difference is, we come to you so you can continue to do what you need to do, when you need to do it, at home or work. When time is so valuable these days, it really makes sense to use my service that comes to you so you can stay productive. I do the work personally, so no poorly paid employee's that are not concerned about the quality of the work because its not thier name that is going on the product. This is what I do for a living, and I'm not satisfied until you are because word of mouth is everything! I have been working with cars for over 28 years and have the experience to tackle just about any cleaning that is needed. I have two trailers that both have thier own water and electric supply, so I need nothing when onsite other than your auto and a place to work. I try not to have to move any auto I'm working with, but sometimes due to parking lots, etc, I have to move them a short distance to a open place to work. I am the highest rated detailer on Angies List as well. I can do everything from a wash and vacuum, which consists of wiping down dash, steering wheel and column, cleaning wheels and shining tires, cleaning windows inside and out, starting at \$30 cars, \$40 for trucks and SUV's, to a full details starting at \$95 for 2dr small cars(pricing depends on car size and interior soilage). I clean everything from motorcycles, Sea Doo's, autos, trucks, RV's, and most anything that that has paint and moves. Go to my website for prices and pictures of work done at WWW.SCOTTPRECISIONDETAILING.COM and give me a call to ask questions or book your appointment at You will not be disappointed!! I offer Gift Certificates that are great gift ideas for any occasion and can be used when they choose to get thier auto cleaned. I travel from Edmond to Norman,

to MWC to Elreno. I have traveled outside those areas for a pre-arranged travel fee.
