Hello,

My name is Alexis. I am a 20 year old student, who is looking for board, until the fall semester. Approximately August. I will be absent for the majority of the summer, so I would be looking for something flexible. I am an experienced babysitter, I am good with cleaning, organizing, great computer/data entry/ typing skills. I am looking for possible nanny, live in maid, personal assistant, etc positions. If you have an apartment that is a fixer upper I can bring someone in to repair it, in exchange for board. Please email for resume. I am a very experienced young professional who has come upon harder times, and am willing to work very hard for what I need.

I look forward to seeing you.
