

Wireless weather station (35, USD)

Location

Oregon<https://www.genclassifieds.com/x-282719-z>

This is a fun little weather station. Has wind speed and direction, rainfall, inside and outside temperature and relative humidity, barometric pressure, weather tendency and then time and date. Everything works, my son just got a different unit and we have no need for two. Asking \$35 OBO. Please feel free to email, call or text. Thank!
