

CUSTOM SPUR STRAPS AND OTHER TACK (35 USD)

Location **Oklahoma**
<https://www.genclassifieds.com/x-282760-z>

I make custom handmade tack and other leather goods. I use American leather whenever possible. My stuff holds up well and lasts thru years of abuse. I wouldn't sell something if I thought it was junk. Why buy something made in China when you can get it made the way YOU want?
