I'm a shopper for ACE Mystery Shopping and I'm hoping to recruit you! You DO NOT have to pay ACE anything. This is a legitimate Mystery Shopping Company that has never let me down. I complete Oil Change Shops for ACE every month, and have always had great success.

Simply use the link below to sign up:

Why should you sign up through me? Well I get a very small bonus for each new shopper I can get to sign up and complete a shop. On top of that, maybe I won't get nearly as many emails if more local shoppers would take some of the shops I can't get to :p

Just as a reminder, you will NOT get rich quick with Mystery Shopping. With ACE and the Oil Change/Tire Rotation Shops you will pay for your Oil Change at a large local shop, submit your report and copy of receipt, and you will be reimbursed for the oil change and the \$15+ bonus on the 15th of the month following.

If you have any questions, please do not hesitate to contact me or Erika (her email is in the image in order to prevent spammers from grabbing her email and blowing it up with junk).
