Location **Ohio**
<https://www.genclassifieds.com/x-282790-z>

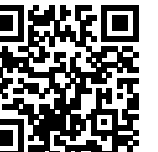

Short film is specifically looking for:

- 2 leading females (preferably twins or two young females that look very alike!) 20-25 years old
- 1 young girl that looks similar to the older females casted - 5-6 years old
- 1 female doctor - 40-50's
- 1 male young adult (25-30)

The Film is about...

Devin (leading role) is a sick woman who needs to make a choice to either fight for her life or accept and keep living as if death is her easiest and only way out. A young patient, who has an unknown but special connection to Devin, visits her in her hospital room and convinces her to take an adventure. The adventure leads Devin to rediscover the happiness she's resisted to feel for a long time but also runs back into her personal demons of sickness and depression. Devin is faced with the choice of either facing herself, literally, or holding on for the sake of happiness.

We will also be needing background! So if you don't fit any of these descriptions..but still want a small part, that's okay email your stuff! If interested please email your information with a resume and photo attached. Unfortunately this is not a paid job but will earn you film credits on IMDB for just a few days of.
