We are shooting a small budget film "Cleveland Allegories", it's a dark comedy about human interactions. It's a GREAT opportunity for someone who wants to learn about filming and someone who wants to network with other people.

We filmed 3 full feature films and over 100 short videos.

Here check out our youtube Channel:

We are looking for someone who can help us set up before the scene. Someone who can be on time at the place of filming and someone who loves making movies as much as we do.

THINGS THAT YOU ARE REQUIRE TO HAVE:

- You need to be on time
- You need to be enthusiastic
- You need to LOVE filming

Since we have a very small budget we won't be able to pay you, BUT I promise you to have your name in credits and it's a great resume builder.

Email me if you have any more questions!

We are excited to work with.
