

Squier P

Location

Pennsylvania<https://www.genclassifieds.com/x-282814-z>

Bought this back after I graduated high school as a gift for myself with the thoughts of learning how to play it but never really fully got around to doing it and lost interest over the years.

The Squier Precision Bass comes with a Soft Fender Case, Frontman 15B Fender Amp, Qwik Tune QT11 Guitar Tuner and a Fender Extra Heavy Pick.

Willing to discuss the price with anyone who's seriously interested in buying and picking it.
