ACA Registered Toy Chihuahua. Female. (can also register her CKC)

Her name is "Q-Tip"! She is beyond hilarious and adorable and amazing!!! She is the softest, whitest fluffyball of prancing~ & glorious personality. Somehow she is muuuuch softer than are her parents. (giggle). She's estimated to be 4-6 lbs when full grown. In these photos she is 1-lb, 14-oz

She will be 8 wks old on March 15, 2015...  
 and so will be ready for adoption AFTER that date! = )

Just to note: her parents are the most gentle, puppy-like, non-shaky, not overly barking Chihuahuas!

We will keep photographs updated as she continues to grow.  
 Elegant Q-Tip's rehome~ 1200.00.
