

Husky (Edmond)

Location **Oklahoma**
<https://www.genclassifieds.com/x-282879-z>

Unfortunately we need to rehome our precious girls we have a full husky that is almost a year and one that is half husky half lab we would love for them to go together. They are great with other dogs and children. Both upto date on shots and the full husky is already fixed. Asking a small rehoming fee of \$150 for both to ensure a good home. Please email me for
