Peanut is a super cute, very friendly approximately 4-month-old Chihuahua and Dachshund mix (Chiweenie) looking for his "forever" home! He is up-to-date on vaccinations, microchipped, and neutered. Peanut is a happy, loving, playful, boy we rescued from a high-kill shelter at the last minute. He is good with kids and other dogs, and may be good with cats. We do require a completed application and a home visit prior to adopting. There is an adoption fee. Please contact us for more details. Phone number is a landline (no texts).
