Hi!

Odys (miniature schnauzer) needs to get down the be with my family in the East Bay at some point soon. I'm pretty flexible until 3/4 and would like him to get on the road this week, if that doesn't work for you please let me know what dates do.

He's super friendly, doesn't shed and well behaved in the car. He can hold his urine for 8 hours and will sleep most of the ride. I am taking a trip and need a dog sitter which is why he's heading down on his own.

Please give me a call/ text/ email if you are available! Willing to help out with monies for your generosity!
