I have some time to fill in occasionally,
some night's,
some weekends,
sometimes weekdays.

I can respond to urgent calls and short notice SOMETIMES !
you can give it a shot !
And I'll give it mine!

I usually work solo with little assistance I have a helper if necessary on call

Most of my work lately is doing pick up work, rework, change orders, tenet improvements, for GC's

Not just framing!
but mainly framing...

it could be pressure washing,
Patching a hole in dry wall mud, tape, sand, texture and paint, in between hanging towel bars and
installing TP holders or doing cove base Etc.

I just do quality, honest work!

For whom I've had the pleasure to build trust and respect for, as a go to guy

Usually for smaller one, to 1 and 1/2 man jobs ;) ...
