Let me make your bike look new again!

Detailing by Dude does complete motorcycle detailing. When I say complete detailing I'm talking about cleaning everything. The wheels, spokes frames and motor and everything in between. Then I polish and wax the tank, side covers, fenders, fairings. When I'm done, the bike will look amazing!

I specialize in modern European bikes but I'm fully capable of handling what ever motorcycle you ride be it Sport, Cruisers, Cafe, Adventure, Classic, or Dirt and ATV.

Feel free to view some of my work on facebook. www.facebook.com
