I am an amateur photographer looking to expand my portfolio, and I am looking for Women over the age of 18, WITH SPECIAL CONSIDERATION GIVEN TO WOMEN OVER 40, with sexy legs and feet to model bikini's, high heels, and short shorts. no nudity, no porn. the emphasis of the shoot will be on sexy legs, and bare feet. I have an extensive wardrobe of high heels, and clothing, you will not have to provide anything. I have a small photo studio set up in my home, and use studio strobe lighting, and photographic backdrops to provide the desired effect. I am looking to do a 2HR shoot, and the pay is \$60.00 per hr. cash. so the total will be \$120.00 I also like to set up a video camera on a tripod to record the shoot. all photos are for my personal use, and are not copied or resold. I can also provide you with all photos/video taken. Please respond with a recent photo. Thank.
