I have two jogging top jackets that only need the 'zipper pull handle' replaced small job for the right experienced person and I don't have a lot to spend on this cuz if it exceeds the garment cost I'd rather just buy it again new. If the whole zipper has to be replaced I will need a quote to do this as well.

Also, periodically I need alterations of new or old dress shirts and pants and could use a good affordable seamstress.

Thank you,

Paul
