We are looking for someone to watch our 2 young girls, ages 4 and 3, starting soon if it works, but for sure by mid May. This would be mainly for work week days, hours 7am-5:30pm. My work schedule is a little unusual. I am on call for my job, so I need you to be on call for me, with this job. I have a 12 hour call out, so you would have some notice beforehand.

If you are available and slightly interested, we can discuss more details and compensation. My girls are very sweet, healthy and active little ones. We are looking for someone special to take care of our precious girls.

Thank you.
