We have a male, 10 mth old tabby/Siamese mix kitten that we need to re-home. He has a pretty sweet temperament, but likes to play rough. He is quite a talker and will tell you when he needs food or wants to go outside to sit on the patio and watch the birds. He has been raised in the same house from 6wks old as a Boxer who he loves to play with, so he gets along great with dogs, not so sure about other cats. He has not been vetted, other than his first set of shots, but he has been kept indoors, other than the time he likes to spend on our upstairs outside balcony. (has not been neutered)

His name is Armani and he knows his name. Eventhough we love him, we have to let him go, as my sons allergies are getting worse and worse.

Please feel free to text or email me with any questions.
