asia is a beautiful 10 year old girl that was saved from the shelter. she is 100% housebroken, wonderful with kids, other dogs and cats. she is so laid back you hardly notice she is there. she also loves to ride in the car

she is spayed, all shots, microchipped, completed hw treatment, has had a dental recently and bloodwork done and everything is good
also comes with a leash and collar

adoption fee is \$100 way less than what we spent on her

we spent almost \$700 getting her
