Holy Cuteness, Batman! Have you seen, Beverly? Beverly is eager to please and knows: come, sit and down; she is house-trained, crate-trained and walks well on leash. Beverly sleeps in her crate at night and is also content to wait in her kennel when her people are away during the day. Beverly is joyful and makes new friends easily. She and her foster dog sibling loved each other from day one. They play together and sleep together. Beverly has no interest in cats or chickens. She has not met children yet, but we think she would be fine with dog-savvy kids. She loves to play with her toys, play fetch, and also tug-of-war. Beverly is affectionate and loves to cuddle as much as she loves to play. She has a very special, sweet, happy, happy, happy personality . . . and, have we said, Holy Cuteness?!

Beverly is a 13 lb., one-year-old, female Jack-Russell Terrier mix. She is spayed, vaccinated and micro-chipped. An application with references, a home visit, and an adoption fee are required to adopt Beverly. Reply to this posting for.
