Hello:

We have two terrific cats (sisters!) who are in need of a good home Chloe and Suki are 3.5 years old, excellent mousers, and complete sweathearts. They are part turkish angora (and a lot alley cat), which makes them easier on cat allergies. They are excellent with kids (we have a 3 year old and a 1 year old who have tortured them mercilessly), good with dogs (we have a Berenes Mt. dog, and many friends with dogs). They are always in-doors at night, but enjoy being outdoors during the day. Until recently we lived in the country and they enjoyed the outdoors.

Our landlord just let us know that they are putting our house on the market, and we will be looking for temporary housing for the next year--even if we can find another rental that will allow cats, we can't keep dragging these poor cats around!

Please let us know if you are looking for two very friendly cats.
