Gigging band from Vergennes seeking a serious lead vocalist. We just released a new album this year and we're looking to play out as much as possible to get it out there. We're a four piece currently. Me(Justin)/guitar and vocals, Troy/Bass, Pete/guitar and vocals and Gary/drums and vocals. Bands we've opened for Saliva, Kiss(tribute), Prospect hill and local bands Bonfire and Indecent Exposure. If interested please contact me either text or email

Thanks,
