*Make sure you check the video links attached of me at work.

I'm not limited to one style of art. It is %100 my full time career.

I do my best to work with any budget (within reason). If the budget for a design or art piece is low, then I can not put a great amount of time in, but I always deliver a great result. Keep this in mind if your budget is low.

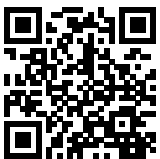

Please provide; a detailed description of what you have in mind (your vision), a few sample images of similar styles or concepts, a budget, a due date for the work, and your contact info.

Looking forward to working with you to make your vision a reality!
