I am starting up a cleaning business. I wi do cleaning. Clean out/trash outs, including foreclosures. I will not only trash out the foreclosure but clean the place as well so it may be sold. I worked with Bek & Bek Cleaning Plus for 7 years as I am their daughter. They have trained me and shown me everything I need to know. Will do houses up for sale. Foreclosures. Apartments. Almost anything. Will do the bidding and include dump charges, labor charges, etc in the total.
