

Commonwealth Connections Academy Hosts Local Information Session (Philadelphia)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-283207-z>

Commonwealth Connections Academy (CCA), a K- 12 public cyber school, is hosting a local information session to educate parents and families about CCA's unique curriculum, which uses technology and more to deliver individualized education for each student.

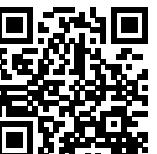

Since CCA is a Pennsylvania public school, there are no costs for tuition, fees or supplies.

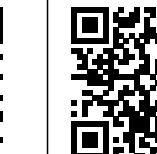

We invite families to come see the program first-hand, meet teachers, and learn more about CCA. Enrollment is open for the 2015-16 school year.

WHEN: Monday, March 30, 2015 @ 6:30pm-8:00pm
