Need a handy man? Lawn care/landscaping, fence building or repair or light remodeling, painting, tile backsplash & flooring, cabinet refinishing, woodworking or other repairs? Do you have some items around your home that you do not have time or even the know how to handle the task yourself?

Give me a call and let me do them for you. I have fair and reasonable prices for all sorts of tasks. If it is something I cannot do, I will be up front with you, and not string you along. I work on things as if they were my own, and I always want to do things right.

Send me an email, or call and leave a mssg @ and I will call you back and discuss your task and schedule a time to come and look at the job and a bid for the work.

You know that you have always wondered, "who can I get ti do this for me". I just may be who you need to get the work done for!
