I am simply an amateur hobbyist who has the idea of taking pictures of a woman in nature. You will not be in public view since the area is on private property. I will give more details if you respond. Please be of legal age. I will check for identification for my safety and yours. I want this to be fun and daring, not creepy or weird. If you want to give this a shot please respond. Just describe yourself and let me know when you are available. Please be reasonably attractive and have a body for a bikini.!
