I love working in the adult industry, however I am not quite stripper material, but fun, sexy and adventurous enough to be YOUR personal assistant to get you thru your evening, whether its catering and hosting a private v.l.p. party for you, or entertaining you and your guests privately, paperwork, running errands, whatever you made need. I am white, 37, so no drama, extremely friendly, fun, sexy....I can make what you want happen for....
