Hi there! My name is Samantha. I just had my little angel 5 months ago so I am doing everything I can to stay home with her!? I babysit, sell avon, & clean houses. With all of those going slow right now I would love to help a family going on vacation with caring for their dog or anyone who would like me to watch their baby(dog) for any reason! I have a dog of my own who is my baby and has been in our family since he was 8 weeks and is now 2! Sleeps in the bed with us and all. I love animals! If you need someone to not only take care of your baby but love on them and make them feel comfortable, I would love to meet and tell you more about myself! Thank you and have a blessed!
