Enjoy both the convenience and privacy of this updated 3 bedroom, 2 bath Saltbox at end of cul-de-sac backing up to wooded city land. Get the feel of living in the countryside yet minutes to shopping, airport, schools, hospital and all other city amenities. Sunny, open floor plan with updated flooring, mudroom, 1st floor bedroom and plenty of storage throughout. The cook of the household will enjoy the kitchen with stainless appliances, under cabinet lighting and sufficient counter space. On the 2nd level, you'll find two large, sunny bedrooms with oversized closets plus a spacious full bath. The basement offers lots of room for storage, a workshop plus a great laundry area with custom built-in counters and utility sink. Other notable features include a laundry chute from 2nd floor to basement, a built-in fire safe and a negotiable video security system. The private backyard is perfect for entertaining or relaxing. Shed stays plus walking trails nearby. Listing By:
