

Hunting Blind (1550, USD)

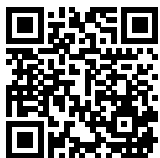

Location **South Dakota**
<https://www.genclassifieds.com/x-283483-z>

This blind is made from highly durable plastic. It comes in the choice of khaki or stone(charcoal black). Moving your stand is easy since it fits in any standard sized pickup box. The stand is 6'6" wide and 7' tall to provide plenty of room. There are five windows that open inward making it usable for rifle or bow hinting. The door has two lockable T-Handles with keys and also has a hasp lock to secure your belongings. The oval construction makes the unit wind resistant. The upper unit is secured to a metal base that allows legs to be installed. There are also 4 vents on the top of the unit. Shelves are located on the top and bottom of the windows. Hunting Blind and metal base is \$1,550 plus tax. Leg kits are also available for \$175 plus tax which includes 6 metal braces for the legs and all the hardware (wood for legs and steps are not included) Call or text

or 354.
