

Reptile enclosure for sale. (MaRICT)

Location **Rhode Island**
<https://www.genclassifieds.com/x-283498-z>

I have a vertical enclosure that i built for a client but did not sell.
I can build more to match if requested as well as a base.
Currently they are 24x24x18 with 3/4" oak and 1/4" seamed and polished glass.

It has 3 2" vents on top and hold heat and humidity very well.

I can add a UVB fixture and / or heat source if requested.
Others available upon request.

Shoot me an email if interested. I am generally only available after 8pm due to work restrictions right.
