i have been making these sugar glider running wheels for over 4 years now, they have been tested for over 1 1/2 years with numerous sugar glider breeders and enthusiasts, and have now been sold for over 3 years, they come in red, orange, yellow, green, blue, purple, black and pink.

they are 12 inches in diameter, and all have matching white pvc and connectors, a 5 1/4 " heavy mesh square design track , and stainless bolts, washers and locknuts.....they have been deemed suggie safe for over 4 years now..

so many people het pet store wheels or wodent wheels for their beloved fur babies, not even aware that they can be dangerous.. my wheel is safe and has been tester by multiple breeders andn have been on the market for over 3 years

i am a breeder as well and i also make other sugar glider goodies too, toys, cage sets, pouches and bonding pouches prices vary

the wheels are \$40.00 plus shipping (and we only ship in the)
