all welcome.

The busier you are the better. The kids go to school Monday through Friday, get involved with school after, and keep to themselves most of the time. Weekends, you are expected to take them with you on your errands if they want or do something fun like taking them bowling.

It's suppose to be a great experience but that can only happen if YOU put your mind to it.

This is an opportunity for you since there is a monthly stipend of \$1000.

taxes and a 1099 at the end of the year.
