Attention!! Retired couples Ladies & Gentlemen with lots of time for love and loyalty from a loving, happy little Pittie girl! Mary is bouncy and energetic! She is a petite girl at 42 lbs. She is UTD with shots, spayed and micro chipped. She loves to fetch things, go for long walks and just be with her person. She wants to devote herself to her person or persons 24/7. Mary would be happy being the only dog, no cats or young children. She is obedient and can act very mannerly around other dogs and children, but she prefers not to live with them because their actions sometimes make her nervous. Mary has felt abandoned and abused in her past but she maintains her loving and loyal nature with people. She now knows love in her foster home, but she needs that perfect furever home.

We are praying she finds that perfect happiness because she is one special girl! If you would like to adopt this special girl please fill out an application at <http://nycsecondchancerescue.org/app-form/>
