I have a whippet/lab mix dog. My husband adopted her for me. I work 12 hours shifts and don't have time for her. She will need to have her adoption papers switched to your name. It's a 20 dollar fee which I will pay. She had been spayed. She utd on all of her shots. I just want her to go to a good home. She is around 2 years old. She's good with kids but I'm not sure about other animals. U can email me or text at
