Hi, my name is Lauren. I am a 28 year old mother of two. My daughter attends school, so it will just be my 2 year old son and I holding down the fort. I know how expensive childcare can be, so I figured since I was home all day I would offer a cheaper alternative to a daycare.

I'm going to try something different. I had a "rough" outline of how much I would charge, but I understand every family's situation is different so I figured I would offer a MAKE AN OFFER type of service. As long as you do not low-ball me, I am willing to negotiate on the cost of childcare. You tell me how much you can pay, and we will go from there. The worst case scenario is that I tell you no, but you may be surprised!

FOR INFANTS: I have plenty of toys, activities, and forms of entertainment. I love to read and sing, although I can't carry a tune for anything! ;-)

FOR TODDLERS: I have plenty of toys, I am planning on doing sensory activities, and of course, reading, singing, and coloring!!!

FOR AFTER SCHOOL: Snacks, Fun, & Homework Help!!!
