I absolutely LOVE children. I have over 10 years of experience babysitting and nurturing children, as I was a very young aunt. I work for a neighboring school district. I earned my B.A. from USC (Go Gamecocks!) , and I am a current graduate student at CIU. Have no worries, because I will care for your child(ren) with every fiber in my body. I provide after-school pick ups/drop-off services, occasional overnight stays (until 6:15 a.m.), and day time sitter services for children 4-14 in my home (with a nice-sized yard). I try to be very flexible to meet the needs of others, because I fully understand that "Life happens..." I look forward to working with your family. Thank you, and have a good one! Text at 8 zero three, 3 six nine, eighty nine, ten or call 8 four 3, five nine 9, zero 1 five four.

****I am available from 4:00- 8:30 p.m. Monday, Wednesday, and Thursday, from 5:00- 11:00 pm on Fridays, and various times as needed on Saturdays and Sundays in my home. Feel free to ask for references.

****I am also CPR certified through my school district.

*8.00 per hour, plus an additional 3.00 per hour per child (2 hour minimum)

*I accept cash and money orders weekly or bi.
