I have a 5 1/2 month old female Weimaraner Puppy that I need to find a new home for. This is probably the hardest thing I've ever had to do, when I got her I thought I'd have her forever. Right now due to some family issues, and working full time I am not able to give her the time and attention she needs.

She is an awesome little girl, loves to cuddle and fetch. She is a little shy around new dogs and people but once she warms up to you, she's the friendliest little girl. She is almost completely potty trained (I say almost because sometimes when I come home she gets too excited and pees) She loves kids, my 11 year old sister comes over 2-3 times a month and they play for hours!

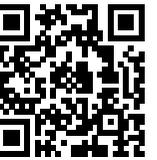

She will come with her AKC registration papers, UTD on all her shots, microchipped, spayed, her XPen, dog food (Blue from PetsMart) dog bowls, leash and collar.

There's a re-homing fee of only \$250, I want to ensure she goes to a great loving family. I especially want to make sure it's with someone that is familiar with the breed.

They are very active and loyal companions!

Please email/text/call if you have any questions or would like photos!

Thank!
