Looking for a responsible person (male or female) that can move into my duplex during March or sooner. Roommate is moving to Colorado in the next month. Rent for you would be \$350 plus half of the utilities (usually around \$80-100). Access to everything which includes the kitchen, bathroom, living room, and washer and dryer. I also have a dog so please no one with pet allergies. Renter must be a non-smoker. Please feel free to either email me or text me with questions or requests for a walkthrough.!
