I'm looking for a roommate. Room is available immediately.
The house is 5 bedroom 2 baths. The room available is 10.5x11.
The bathroom would be shared between me and kids when they are present.
There is a nice community pool just 3 streets away. Kitchen has plenty of cabinet space too.
The rent on the room would be \$475/month I will also need a \$200.00 refundable deposit.
No pets. Utilities and wireless Verizon Foist included.
I am a 31 year old white male. I have 2 children ages 9 & 11 that are with me about half of the time. They are excellent kids and very respectful.
I'm pretty laid back and I like for common areas to stay reasonably clean.
I have 2 references of roommates that you could talk to if you.
