We are looking for land owner's to give us permission to hunt prairie dogs on there property. We're from minnesota and don't have a clue where to go or who to talk to. Just planning a trip to get out and shoot. We would love to get on big towns where we can really shoot some dogs. Probably going to be 4-5 of us total. We'd be staying at a local motel. Only looking to shoot for 2 days probably during the week around the end of may or first part of june. Or really anytime this summer if the hunting is good. We'd really like to hunt for free. Not really looking to spend a whole lot of money on the trip. But maybe if the hunting is exceptionally good, we could possibly tip pretty good. any clues, farmers or land owners numbers or anything like that would be greatly appreciated. We also won't be littering or making any messes. Were land owners ourselves and will treat your property with the utmost respect. Thank you in
