Seeking a Shiz-Zu/Bishcon mix Puppy/older Dog (Dont Flag me , Child wants DOG!)

Looking for Shiz-Zu / Bishcon mix (TeddyBear) (Milwaukee)

I am looking for a "Teddy Bear Puppy". Yes, its a "Designer puppy" as some of you radical Puppy rescues call them, but their Disposition make them GREAT dogs. Espically in families with Children. Must be able to prove they are they are Teddies! FYI- a real Teddy is a Shih-zu/bishcon mix, Not spending 700 or more, so dont waste my time. Also, not taking Sick Mill dogs. Gotta have proof where they came from. WHY WOULD YOU FLAG A AD LIKE THIS?
