You don't deserve to live in Wisconsin. You special one's talk about caring for people but only if it has to do with your agenda.

Its evident all of you will never learn from your past mistakes .

When I ask a liberal what has Walker done to make their life miserable they almost always say that he is evil and hates union members. Then they say he doesn't care about anything but money.

This all stems from Big union money because they are afraid of him because he has exposed the flat out lies they perpetuate. Nobody is stopping any of you from moving and quite frankly I wont miss any of your idiotic behavior. Illinos is waiting for
