Yo! My names Dubey, and I'm a 19 year old musician based out of Hartford. I mainly do guitar and sing, however I also have experience with piano/Keyboard, drums and percussion, ukulele, and bass. At the moment, though, all I have is my guitar rig. If a drum or keys position comes up, I can get a setup for that spot if need be.

Most of my band experience is in hard rock/metal bands, but that certainly doesn't mean that that's the only music I play.

Examples of bands I like can include:

Avenged Sevenfold

Slipknot

Attila

Lamb of God

Pierce the veil

Sleeping with Sirens

A day to remember

Job for a cowboy

Veil of maya

After the burial

Thy art is murder

3 days grace

Oar

The supervillains

Sublime

Reel big fish

Whitechapel

Cantera

Metallica

Iron man

Full time

Blink 182

Green day

The devil wears prada

Ocean

Suicide silence

Silverstein

Never shout never
