I represent a very private sex club looking for promiscuous females of age 18-35 to join our circle. No escorts, only amateurs (regular girls). We operate under strict discretion; hence, you have the option of choosing to remain anonymous by wearing a mask during our meetings. You must be open to (eventually) be the center of attention for a GangBang, BlowBang, GloryHole party.

Required info: Name, Ht/Wt, Age, Location (DC, MD preferred), Sexual Experience level, plus AT LEAST 3 pictures (does not have to include face)..

Respond with (stage) Name and Location in Email subject. All the requested info is essential to being considered, please make sure you include everything. Thank!
