Location **Vermont**  
<https://www.genclassifieds.com/x-283758-z>

Hello!  
 I am in need of someone to pick up/remove a copy machine from a local business.  
 You will need a pick up truck to haul away the copy machine.  
 The dimensions include 24 x 24 x 36 inches and 150-200 lbs on wheels.  
 It is operational.  
 You can do whatever you would like with it after picking it up, all I need is the serial numbers.  
 Once agreed, I will send you a letter of authorization to show the business to allow you to remove it.

There are multiple locations in the Vermont area. These include Brattleboro, Manchester Center, Springfield, Rutland, Windsor, Bellow Falls and Ludlow.

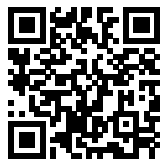

You can choose any location that is most convenient for you. I am trying to get all of these completed. There is one copy machine per location.

Please contact me if you are interested or have any further.
